Dear ISTE Board Members:

As a vital member of the Canyons District Educational Technology Team, Katie Blunt has made great strides in preparing many of our District's teachers to better use technology in their instruction. Katie is a passionate educator with a very strong skillset. Her vision for technology use in teaching and learning has been an inspiration and her professional demeanor is both respected and appreciated.

Throughout the current school year, Katie has effectively led several key projects for our District, including but not limited to:

- Sunrise Elementary iPad Pilot
- Sprucewood and Willow Springs Elementary Netbook Pilots
- The Canyons School District Elementary Keyboarding Program
- 3rd Annual Canyons School District Film Festival

With Katie, every project she's assigned is consistently completed with the utmost quality. Therefore, I have no hesitation in recommending Katie as a very strong candidate for this year's ISTE Outstanding Young Educator award.

Sincerely,

Darren E. Draper, Ed.D.
